## Hope of Home Society

Hope of Home refers to the power of every donation made to Habitat for Humanity. Every donor gives the hope of home, with all the security, stability & comfort it brings, to local neighbors with each gift. Members of the Hope of Home Society have committed to generously leave a gift that will impact their neighbors beyond their own lifetime. For these members, they have invested in the hope of home for future Habitat clients, but also in their own hope for a lasting impact. That is a beautiful investment in the **hope of home**.

When you share with us your future plans to leave a gift to Habitat for Humanity of Frederick County you'll join other Habitat friends as a member of the Hope of Home Society.
