

We build strength, stability, self-reliance *and* shelter.

Dear Prospective Participant:

Thank you for your interest in the Habitat Home Repair program at Habitat for Humanity of Frederick County, MD. HFHFCMD is a non-profit organization financed through private donations and utilizing volunteer labor. We are a "Hand Up, Not A Hand Out" program. Our purpose is to partner with families in need to provide a homeownership opportunity and to preserve homeownership.

HHRP is a home preservation program. The purpose of this program is to create a safe, healthy, accessible, and affordable home for existing homeowners. The Home Repair program is not meant to complete typical homeowner tasks (mowing the lawn on a regular basis, cleaning gutters, changing air filters, etc.) or make cosmetic repairs due to homeowner wants. Please read the following to see if you have an interest in our program and if you meet our general guidelines:

To Qualify:

- You must be the homeowner that lives in the home that needs repair and the home must be in Frederick County, MD.
- You must have a need. The condition of your home should be such that minor repairs, landscaping, clean up, non-cosmetic painting, deck and ramp construction can be completed by volunteers.
- Total household income range cannot be more than 80% of the median income for Frederick County, MD based upon family size.
- With your permission and to qualify, we will verify information on your application such as employment, income, debt, homeownership, and insurance coverage.

If Approved to Participate:

- We ask that you and other adults living or visiting your home on the day of the event participate with our volunteers.

If you are interested in Habitat and believe you qualify for HHRP, we encourage you to complete the attached application and return it with all requested documents to Habitat for Humanity at 24 S Wisner St., Suite 130, Frederick, MD 21701 or Fax to 301-698-1697.

Once we have your completed application with all documents, we will contact you to let you know if you qualify for a home visit to inspect what needs to be done and determine the extent of work that has been requested to make sure that it fits the scope of program.

If you have any questions, please feel free to contact the Habitat office at (301) 698-2449.

Thank you!
